

Hey Mom and Dad!

You have to come to Hawaii some time! We are having so much fun I dont know what to do. I'm just going to write this great postcard since this app is great! Is it an app or a website? Whatever it might be both. Blah.

I'm not even sure why we are allowing people to write this much on a postcard. How could you have so much stuff to write to someone? Good thing that we might make some money off of this. If not I don't know why this service exists except to be a resume builder. Atleast I have that going for me.

Love you!
